

# WTC MOSCOW RESIDENCE & OFFICE TELS ALL INCLUSIVE SERVICE

# About Us

Since 2013 INI Real Estate & Insurance agency has specialized on property leasing/sales/management and various insurance services and, recently, **hotel stay service**.

In Russia, where English is still not that common, to reduce the discomfort of living in a foreign land INI helps our Clients to solve problems and break the language barrier and cultural differences, as well as make an individual and detailed assistance based on Client's needs and wishes.

Above all, in opposite to local agencies, INI provides **full afterservice**, and this is our agency's fundamental difference.
